

History

In the mid-1960s a group was formed to develop a conservation education program for young people. Woldumar Nature Association (Woldumar's parent organization) is the result. Mrs. Gladys Olds Anderson (daughter of automotive pioneer Ransom Eli Olds) generously donated half of her dairy farm to the association. In the early 1980s the Moon Log Cabin was donated and moved to Woldumar for cultural heritage programs.

Why Become a Member?

- You will be helping to preserve 150 acres of woodland, prairie, river shoreline and pine forest!
- Your financial support will directly help to provide the programming offered by Woldumar.
- You can choose to volunteer in a project that has special meaning for you.
- You will help provide the leadership that ensures Woldumar is here for future generations to experience and enjoy.
